MRS. MILLS RESIGNS COACHING DUTIES

After ten successful years of coaching Mrs. Shirley Mills has decided to resign from the duty of coaching. She said, "I felt like ten years was enough and I wanted to have more free time."

Mrs. Mills began her coaching career in October of 1971 and she feels that coaching both cheerleading and girls' track has been very rewarding. She said that she would remember most the seven first place trophies and two second place ones which the cheerleading squads had won. She also has been pleased with the way the Outstanding Cheerleaders have performed in the past two years. One of the strange things she remembers is the way one of the cheerleaders manages to be injured just before a meet or tournament.

Mrs. Mills has also been pleased with the individual efforts at the girls' track meets. She was pleased when the

girls brought home a second place trophy in 1978.

Mrs. Mills has enjoyed her coaching and she now plans to further her education. She says, "I've enjoyed working with all my students in cheer-leading and in track and would like to thank the many people at K.S.B. for all their support and cooperation."

Good luck, Mrs. Mills, in whatever you tackle and remember we are here to cheer you on!

MR. MANN RESIGNS COACHING DUTIES

Mr. Larry Mann, wrestling and boys' track coach, has announced his retirement after coaching at K.S.B. for 14 years.

Mr. Mann, originally from Indiana, wrestled for four years at New Albany High School and coached at Jeffersonville High School for one year. He came to K.S.B. in 1967 to coach wrestling and teach physical education.

When asked how he felt about coaching visually impaired students, he said that he had wrestled visually impaired wrestlers himself and there were no major adjustments to make. Some of his highlights in coaching were placing eight wrestlers in the finals of the 1978

N.C.A.S.V.H. in St. Louis. K.S.B. also broke the scoring record with 190½ points then.

When asked his comments upon retiring, Mr. Mann said, "I wouldn't trade the 14 years of coaching track and wrestling at K.S.B. for anything."

Mr. Mann has been a great coach and we shall miss his experience very much.

SENIOR SPOTLIGHT CLINTON DALE APPLLEGATE

Clint Applegate came to K.S.B. in 1977 as a sophomore. He is from Mason County. At K.S.B. he has participated in track and wrestling for three years. In his junior year, he was class president. His interests are reading and all sports. Clint is going to Jefferson Community College next year to take a course in agribusiness and then will go on to Morehead University.

Good luck to you, Clint!
